

World Book Day @ Chevening!

Class R have been excited to explore all things books this week and it's been lovely to see their enthusiasm in sharing their favourite books with each other! They particularly enjoyed the scavenger hunt to find different characters and objects in a variety of books. Then they had fun creating their own special reading dens!

On World Book Day **Class 1** were all dressed up! They had a fantastic session with Caryl Hart and her book 'Whiffy Wilson the Wolf Who Wouldn't go to School'. The children asked Caryl questions about what being a writer and had big smiles on their faces the whole time!

They read lots of stories together. In class they read 'The Wonky Donkey' and all became donkeys whenever the donkey said 'HEE HAW!' (and were very good at it!). They enjoyed recommending some of their favourite books.

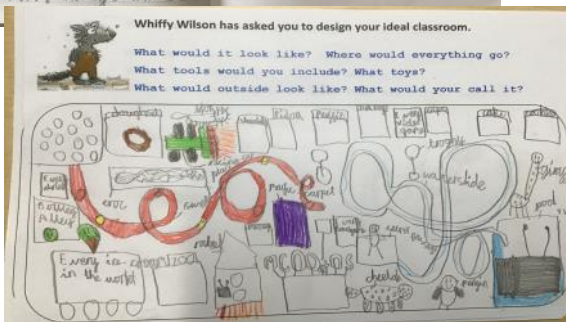

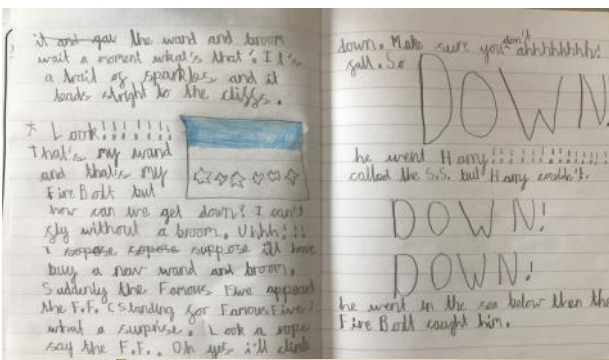

Class 3 all dressed up for World Book Day and sent in photos of their fantastic efforts!

Class 2 had a very exciting and busy week. They enjoyed dressing up, meeting Whiffy Wilson and his author. They wrote short stories and invented super villains.

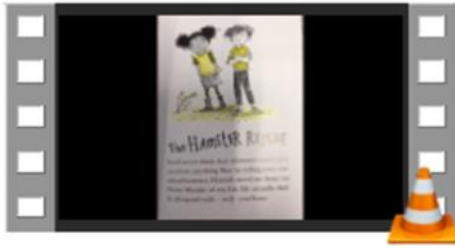

Their thought bubbles explain why they liked their book so much! Following on from author Caryl Hart's virtual visit, we created treasure maps for the book 'Knock Knock Pirate!'

World Book Day @Chevening!

Class 5

have been reading stories aloud to each other and recording them so others may enjoy listening to them later.

The children composed music using the computers and tried to match each piece to a character or a book. You are welcome to try the children's Quiz and Competition to guess which piece of music goes with which book—follow the link embedded in the image at the bottom of this page.

Track	Name	Book	Track	Name	Book	Track	Name	Book	Track	Name	Book
5	Jessica		6	Robert		7	Max		8	Molly	
 A - Alex Rider			 B- Backyard Fairies			 C- Charlie and the Chocolate Factory			 I - I'm From Outer Space		
 Runaway Robot			 Tom's Midnight Garden			 The Very Hungry Caterpillar			 The War of the Quorids		

During book week the children used passages from books as inspiration to write their own scenes about recent events. For example, we did some creative writing about the Mars Rover 'Perseverance' landing on the Martian surface. You can read some of our work on our [Space Museum Website](#) page. (Please click on the image below to be transported to our Space Museum Website 'launch pad')

In celebration of this World Book Day's theme *Share a Story*, **Class 4** embarked on an exciting challenge- to see if they could create and perform their very own *Book Talks*. A Book Talk is not a book review, a book report, or even a book analysis... but rather, a more exciting, fun and suspenseful way of *convincing* others to read a book - almost like a commercial. Class 4 absolutely nailed it with their extremely creative and innovative ways of persuading others to read their chosen book! They were clever enough to give the audience a glimpse of the setting, characters and story, but were also careful enough not to divulge or give too much the storyline away. They not only successfully engaged with their audience but, also most certainly, left them wanting to find out more!

Class 6 have created their own recommendation lists so that they can share their books with the rest of the school community. *If you need a recommendation, please dip in to one [here!](#)*
