

# **Chevening (St Botolph's) CE Primary School Special Report:**

***District Sports: 19.06.19 & Sports Day: 21.06.19***

## **Some snaps from Friday's Special Event**

**Some of our Sport Superstars!**

There were many moments to treasure from last Friday's Sports Day, with good weather enabling the event to take place, despite the gloom and showers of Thursday afternoon. With Mrs Roll's careful organisation, the children had great opportunities to participate in a morning of skill-based activities, followed by the afternoon of long-distance and sprint finals.

Our thanks goes to everyone involved in making the day a success—with early morning gazebo-building, equipment-carrying, kit-sorting, activity setting-up and children-prepping being undertaken by staff, parents/carers and children. Further thanks to our PTA for the refreshments and to everyone who looked after our lovely site by doing terrific tidying up!

As well as individual successes, we were impressed with the clear demonstration of school values in action, which help everyone to enjoy the day. We certainly saw determination and resilience in practice, as well as the keen unity and teamwork to support the four houses.

We hope you enjoy the photos in this special edition as family keepsakes, and request that they are not used for e-sharing—thank you!

**Thank you to everyone for helping make the day go so well!**

**The Arrival of Churchill, Sackville,  
Stanhope and Wolfe Houses**

## **Chevening @ Sevenoaks District Sports**

**Thank you to our families, friends and staff for supporting the children at this wonderful event.**
