

Chevening (St Botolph's) CE Primary School Special Report: *Spring 2: Friday, 5th April 2019*

We are fortunate to be able to take our children to many activities and competitions throughout the school year. We know that sport plays a huge role in the lives of many people in the school and local community. It is so encouraging to hear of the impressive results that our children achieve in outside clubs as well as school sponsored events.

We are pleased our new 'Chevening Sport' board (on KS2 building), which displays club information, competitions and hopefully, celebrations of children, will showcase the many different sporting achievements of our children.

MODERN DANCE

The children have been working so hard on their routines for the 'Love 2 Dance' event and on Wednesday, a group of 26 dancers went to The Stag Theatre to take to the stage.

It was a long afternoon with the dress rehearsal and not one, but TWO shows to participate in! The children were absolutely fantastic and a huge credit to Chevening. Big thanks must go to Carolyn Murphy and Catherine Bishop for their months of hard work getting the children ready for the performances!

FENCING

On Wednesday, the school was enthralled by Ex-Olympian, James Beevers; who came in to demonstrate activities that develop fencing skills. The children cheered on Henry in Y6 as he challenged James to a bout.

We found out about 'The Little Musketeers Club' starting after Easter; and also got to see one of the lightsabres that was used to train the actors in the Star Wars films!

A fencing club will be running for KS1 and KS2 in Terms 5&6 (see <https://www.littlemusketeers.com/> for details)

Sports Spectacular!

FOOTBALL & NETBALL

Both our football and netball teams have worked hard this year in various tournaments and in the league. We are excitedly awaiting the results of the league now that all games have been played and the season has come to an end.

JUDO

This week our hall was the nominated venue for Judo exams and we were pleased to host the event for our own, as well as visiting, students. We hope their nage-waza and katame-waza techniques were up to scratch!

Judo club will continue in terms 5&6 on a Thursday morning - booking details to follow w/c 23.4.19.

HEVER TRIATHLON:

Mrs Roll is pleased to note that 45 pupils have enrolled in the triathlon. The triathlon is designed for pupils of all abilities, the level of challenge is matched to the individual pupil.

This promises to be a fantastic day at Hever where children not only learn about the disciplines involved in a triathlon, but also learn about the history of Hever castle!

Visit <https://www.bbc.co.uk/sport/av/get-inspired/37457418> for a short video which features some highlights of the event.

THANK YOU

Thank you to all those parents who help run or support clubs and those parents who ferry the children backwards and forwards to events and come to support.

It is very much appreciated, we couldn't do it without your support and the children love you coming to cheer them on!

UPCOMING EVENTS

We have a lot more sports events coming up in the summer term. Events such as the KS2 Swimming Gala, various Inter-House competitions; local events such as District Sports; and county events such as the Sevenoaks Rugby Tournament, which lead to regional and national events for successful teams.
