

## Special Educational Needs and Disabilities (SEND) Information Report

Chevening CE Primary School

In line with our Biblical Vision (Matthew 13: 31-32),

***“The kingdom of heaven is like a mustard seed, which a man took and planted in his field. Though it is the smallest of all seeds, yet when it grows, it is the largest of garden plants and becomes a tree, so that the birds come and perch in its branches.”***

This policy has been developed being mindful of our aim to provide an excellent education through being

- ***True to Christ and His teachings.***
- ***Known for kind and thoughtful actions and attitudes.***
- ***Inclusive in serving, sharing and showing God’s love to benefit all.***

Our school is a nurturing school and our policy is also developed in line with the six principles of Nurture reflecting the schools understanding that:

- Children learn developmentally
- The classroom is a safe base for every child
- Nurture is important to the development of well-being
- Language is a vital means of communication
- All behaviour is communication
- Transition marks important stages in a child’s life

Dear parents and carers,

The aim of this Information Report is to explain how we implement our SEND policy. In other words, we want to show you how SEND support works in our school.

As educational professionals, we are all working towards the ultimate goal of growing independent young people as they prepare for adulthood. All provision and support we provide is working towards achieving the Kent Children and Young People (CYP) Outcomes Framework:

If you want to know more about our arrangements for SEND, read our SEND policy alongside this Information Report.

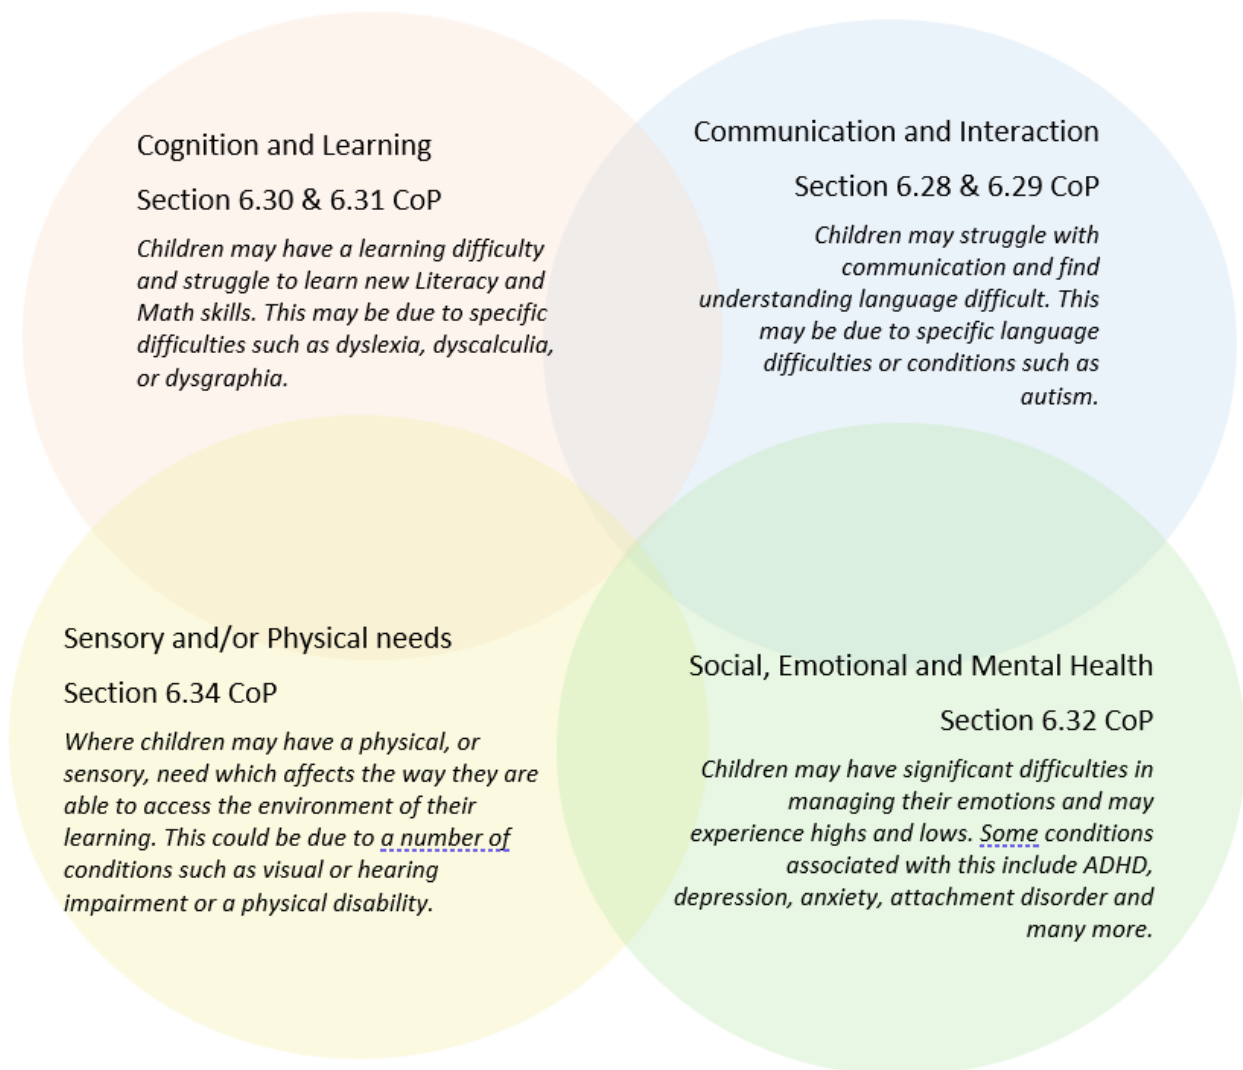

You can find our SEND policy on our website:

<https://www.chevening.kent.sch.uk/attachments/download.asp?file=466&type=pdf>

**Note:** If there are any terms we've used in this information report that you're unsure of, you can look them up in the Glossary at the end of the report.

## 1. What types of SEND does the school provide for?

Our school provides for pupils with the following needs (as outlined in the SEND Code of Practice 2015):

Often you will find that children's needs overlap and are rarely confined to one area of need, which is why it is important to gain a holistic overview of your child.

More information about the Areas of Need can be found in the Special educational needs and disability code of practice: 0 to 25 years (link below).

[SEND Code of Practice January 2015.pdf \(publishing.service.gov.uk\)](#)

## 2. Which staff will support my child, and what are their key responsibilities?

At Chevening Primary all staff are considered responsible for supporting the needs of pupils with SEND. Our staff are committed to regular, high-quality training to ensure that they have the knowledge and skills to better meet a wide range of pupil needs.

Below outlines key staff who will be supporting your child. *Please note that this list is not exhaustive.*

Mrs Caisley is our Senco who will oversee the provision for children with SEN. She works closely with Miss Minnis & Mrs McLean, the wider senior leadership team, all staff, families and outside agencies who are involved with our pupils.

Mrs Qureshi is our Emotional Literacy Support Assistant (ELSA) – she works closely with children, supporting them in many areas relating to their emotions and well-being. She also provides our Nurture Provision, which focuses on providing high quality social, emotional and mental health support for our pupils.

We have a committed team of additional support staff who work supporting classes and individual children, helping them to achieve their full potential.

### Our Special Educational Needs Co-ordinator, or SENCO

Our SENCO is Natasha Caisley

She has more than 20 years' experience in this role and is a qualified teacher, having worked as a class teacher, headteacher and advisory teacher.

She achieved the National Award in Special Educational Needs Co-ordination in 2021 and also holds a Postgraduate Certificate in Including Learners with Autism in Mainstream Classrooms.

### Class/subject teachers

All of our teachers receive in-house SEN training, and are supported by the SENCO to meet the needs of pupils who have SEN.

Recent training which some or all teachers have accessed: whole-school Autism Education Trust training, the Balanced System (Speech and Language) and the school currently has access to the Sensory Inclusive Schools programme with high-quality training about sensory issues.

## Teaching assistants (TAs)

We have a team of 9 TAs, including one higher-level teaching assistant (HLTA) who are trained to deliver SEN provision.

Our teaching assistants are trained to use certain approaches and to deliver interventions such as: ELSA, Lego Therapy, Language Link, Speech Link, Social Stories, Cued Articulation, Friendship Groups.

In the last academic year, TAs have been trained in Autism Awareness and Nurture Schools Principles.

## External agencies

Sometimes we need extra help to offer our pupils the support that they need. Whenever necessary we will work with external support services to meet the needs of our pupils with SEND and to support their families. These may include:

➤ Child and adolescent mental health services (CAMHS)

➤ Education welfare officers

➤ Educational psychologists

➤ GPs or paediatricians

➤ Therapeutic practitioners

➤ Behaviour coaches

➤ Safeguarding services

➤ Volunt:

## 3. What should I do if I think my child has SEND?

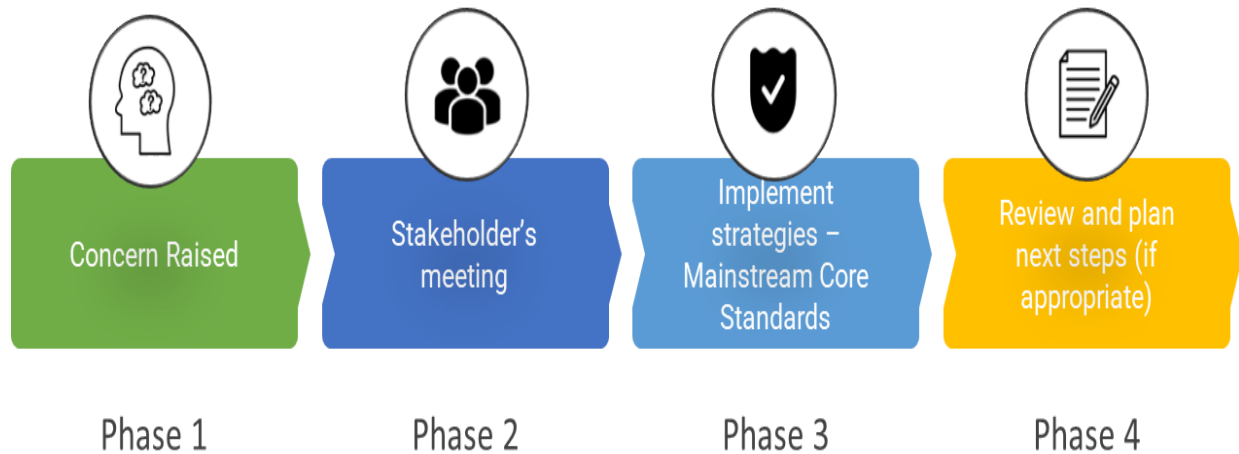

<p><b>Phase 1</b></p>	<p>If you think your child might have SEND, raise your concern with the school so that the SENCO is aware.</p> <p>You can raise a concern to your child's teacher via email (office@chevening.kent.sch.uk) or to Mrs Caisley, the Senco, via the Senco email: senco@chevening.kent.sch.uk</p>
<p><b>Phase 2</b></p>	<p>We will meet with you to discuss your concerns and try to get a better understanding of what your child's strengths and difficulties are. Together we will decide what outcomes to seek for your child and agree on next steps. We will make a note of what's been discussed and add this to your child's record.</p>
<p><b>Phase 3</b></p>	<p>We will implement the agreed strategies and monitor these over an agreed period of time. These are likely to be universal strategies set out in the mainstream core standards. A copy of this can be found here: <a href="https://www.kelsi.org.uk/_data/assets/pdf_file/0005/117257/Special-educational-needs-mainstream-core-standards-guide-for-parents.pdf">https://www.kelsi.org.uk/_data/assets/pdf_file/0005/117257/Special-educational-needs-mainstream-core-standards-guide-for-parents.pdf</a>. This will initiate the 'Graduated Approach' where support will be continually reviewed. See next page for more details.</p>
<p><b>Phase 4</b></p>	<p>If we decide that your child needs SEND support, we will formally notify you and your child will be added to the school's SEND register. They will receive</p>

	additional support and this will be reviewed using the assess, plan, do, review model.

## 4. What happens if the school identifies a need?

The same process is followed if a concern is raised by the school.

All our class teachers are responsible for the monitoring of all pupils who have been identified as having SEND. They also review those who are not making the expected level of progress in their schoolwork or socially. This might include reading difficulties, well-being concerns, maths gaps etc.

If the teacher notices that a pupil is having difficulties, they try to find out if the pupil has any gaps in their learning. If they can find a gap, the school will provide appropriate support. Pupils who don't have SEND usually make progress quickly once the gap in their learning has been filled.

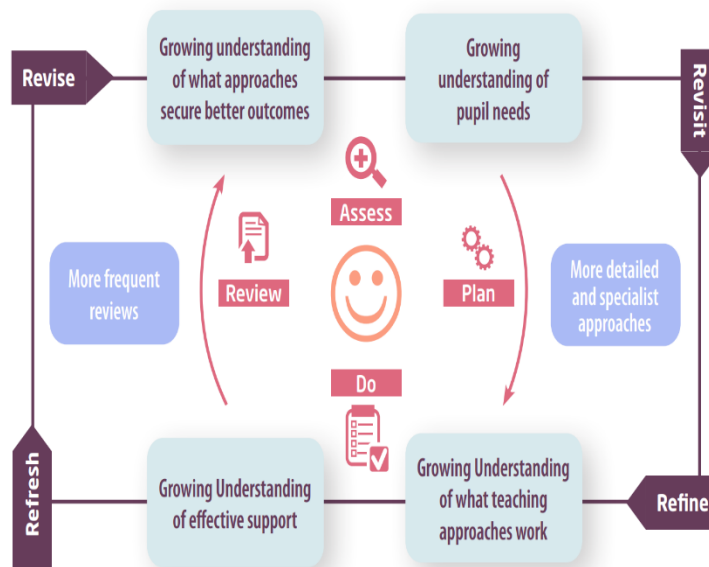

If the pupil is still finding it difficult to make the expected progress, the teacher will talk to the SENCO, and will contact you to discuss the possibility that your child has SEND, and the school will follow the graduated approach (see previous page).

## 5. How will the school measure my child's progress?

We will follow the 'graduated approach' to meeting your child's SEND needs.

The graduated approach is a 4-part cycle of **assess, plan, do, review**.

<b>Assess</b>	If your child is not making the expected level of progress, we will make an assessment to find out what strengths and difficulties your child has. We will ask for you and your child's input, as well as getting help from external professionals where necessary.
<b>Plan</b>	In discussion with you and your child, we will decide what outcomes we are hoping to achieve. We will make a plan of the support we will offer your child to help them meet those outcomes. We will make a record of this and share it with you and all relevant school staff.
<b>Do</b>	We will put our plan into practice. The class teacher, with the support of the SENCO, will be responsible for working with your child on a daily basis, and making sure the support we put in place is having the impact we intended.
<b>Review</b>	We will assess how well the support we put in place helped the pupil to meet the outcomes we set. We will use our improved understanding of your child's needs to improve the support we offer; this may mean the Plan, Assess, Do, Review cycle continues.

## 6. How will I be involved in decisions made about my child's education?

We will provide three reports on your child's progress across the school year.

A member of staff who knows your child well will meet you, at a minimum, three times a year, to:

- Set clear outcomes for your child's progress
- Review progress towards those outcomes
- Discuss the support we will put in place to help your child make that progress
- Identify what we will do, what we will ask you to do, and what we will ask your child to do

The SENCO may also attend these meetings to provide extra support.

We know that you're the expert when it comes to your child's needs and aspirations. So, we want to make sure you have a full understanding of how we're trying to meet your child's needs, so that you can provide insight into what you think would work best for your child.

We also want to hear from you as much as possible so that we can build a better picture of how the SEND support we are providing is impacting your child outside of school.

If your child's needs or aspirations change at any time, please let us know right away so we can keep our provision as relevant as possible.

If you have concerns that arise between these meetings, please contact your child's teacher via email ([office@chevening.kent.sch.uk](mailto:office@chevening.kent.sch.uk)) or to Mrs Caisley, the Senco, via the Senco email: [senco@chevening.kent.sch.uk](mailto:senco@chevening.kent.sch.uk) and we will gladly work together with you to find solutions.

## 7. How will my child be involved in decisions made about their education?

The level of involvement will depend on your child's age and individual needs. We recognise that no two pupils are the same, so we will decide on a case-by-case basis, with your input.

We may seek your child's views by asking them to:

- Attend meetings to discuss their progress and outcomes
- Prepare a presentation, written statement, video, drawing, etc.
- Discuss their views with a member of staff who can act as a representative during the meeting
- Complete a survey

## 8. How will the school adapt its teaching for my child?

Your child's teacher is responsible and accountable for the progress and development of all the pupils in their class.

High-quality teaching is our first step in responding to your child's needs. We will make sure that your child has access to a broad and balanced curriculum in every year they are at our school.

We will adapt our approaches to how we teach to suit the way the pupil works best. There is no 'one size fits all' approach to adapting the curriculum, we work on a case-by case basis to make sure the adaptations we make are meaningful to your child and are guided by the Mainstream Core Standards in the first instance.

These adaptations may include:

- Adapting our approaches, for example, giving longer processing times, pre-teaching of key vocabulary, reading instructions aloud, etc.

- Adapting our resources and staffing

- Using recommended aids, such as laptops, coloured overlays, visual timetables, larger font, etc.

- Teaching assistants or support staff will support pupils appropriately depending on their presentation of need

- Scaffolding lesson materials

Our School Accessibility Plan can be found here:

<https://www.chevening.kent.sch.uk/attachments/download.asp?file=491&type=pdf>

## 9. How will the school evaluate whether the support in place is helping my child?

We will evaluate the effectiveness of provision for your child by:

- Reviewing their progress towards their goals each term
- Reviewing the impact of interventions after 6 weeks
- Using pupil questionnaires
- Monitoring by the SENCO
- Using provision maps to measure progress
- Holding an annual review (if they have an education, health and care (EHC) plan)

## 10. How will the school ensure my child has appropriate resources?

It may be that your child's needs mean we need to provide additional resources such as:

- Additional resources to support their learning
- Adaptations to in class support
- Further training for our staff
- External specialist expertise

Where appropriate, we will consult with external agencies to get recommendations on what will best help your child access their learning and use our best endeavours to ensure these are supplied.

## **11. How will the school make sure my child is included in activities alongside pupils who don't have SEND?**

The expectation is that all schools providing an inclusive provision for all pupils. It may be necessary for some pupils to receive interventions in addition to a broad and balanced curriculum.

All of our extra-curricular activities and school visits are available to all our pupils, including our before and after-school clubs as long as risk assessments determine it is safe for them to do so.

All pupils are encouraged to go on our school trips, including our residential trips to the Isle of Wight and Carroty Wood.

All pupils are encouraged to take part in sports day/school plays/special workshops.

No pupil is ever excluded from taking part in these activities because of their SEN or disability and we will make whatever reasonable adjustments are needed to make sure that they can be included.

## 12. How does the school make sure the admissions process is fair for pupils with SEN or a disability?

The school's Admissions Policy complies with Equality legislation to ensure that no-one, including those with identified SEND, is disadvantaged.

The Admissions policy for Chevening Primary School can be found here:  
<https://www.chevening.kent.sch.uk/attachments/download.asp?file=5&type=pdf>

## 13. How does the school support pupils with disabilities?

You're disabled under the Equality Act 2010 if you have a physical or mental impairment that has a 'substantial' and 'long-term' negative effect on your ability to do normal daily activities.

We support pupils with identified disabilities and take steps to ensure that they are not being treated less favourably than other pupils - see our Accessibility Plan for more information  
<https://www.chevening.kent.sch.uk/attachments/download.asp?file=491&type=pdf>

## 14. How will the school support my child's mental health and emotional and social development?

We provide support for pupils to progress in their emotional and social development in the following ways:

- Pupils with SEND are encouraged to be part of the school council
- Pupils with SEND are also encouraged to be part of Gardening club, Well-being Club and Quiet Club to promote teamwork/building friendships alongside other social interaction interventions.

- We provide extra pastoral support for listening to the views of pupils with SEND via our ELSA drop-ins, development of Pupil Passports with Pupil Voice
- We run a soft-start nurture club for pupils who need extra social or emotional support first thing in the morning.
- We have a 'zero tolerance' approach to bullying. See our policy.
- 

## 15. What support is in place for looked-after and previously looked-after children with SEND?

Natasha Caisley is the Designated Teacher for looked-after and previously looked after children and she will work to make sure that all teachers understand how a looked-after or previously looked-after pupil's circumstances and their SEND might interact, and what the implications are for teaching and learning.

Pupils who are looked-after or previously looked-after will be supported much in the same way as any other child who has SEND. However, looked-after pupils will also have a personal education plan (PEP). We will make sure that the PEP and any SEND support plans or EHC plans are consistent and complement one another.

## 16. What support will be available for my child as they transition between classes or settings or in preparing for adulthood?

### Between years

To help pupils with SEND be prepared for a new school year we:

- Ask both the current teacher and the next year's teacher to attend final meeting of the year when the pupil's SEND is discussed
- Schedule lessons with the incoming teacher towards the end of the summer term
- May write social stories or produce photo books to support transition

### Between schools

When your child is moving on from our school, we will ask you and your child what information you want us to share with the new setting.

## Between phases (for primary schools)

The SENCO of the secondary school may come into our school for a meeting with our SENCO/Yr 6 teacher or make contact online or on the phone. They will discuss the needs of all the pupils who are receiving SEND support.

Pupils will be prepared for the transition by:

- Learning how to get organised independently
- Plugging any gaps in knowledge
- Sharing their Pupil Passport with their future school

## 17. What support is available for me and my family?

If you have questions about SEND, or are struggling to cope, please get in touch to let us know. We want to support you, your child and your family.

To see what support is available to you locally, have a look at Kent's local offer. Kent County Council publishes information about the local offer on their website:

## 18. What should I do if I have a complaint about my child's SEND support?

The school's Complaints Policy can be accessed via this link: <https://www.chevening.kent.sch.uk/attachments/download.asp?file=497&type=pdf> . Complaints about SEND provision in our school should be made to the class teacher in the first instance. There may need to be follow-up with the Senco and/or Headteacher who will then refer you on to the school's complaints policy.

If you are not satisfied with the school's response, you can escalate the complaint. In some circumstances, this right also applies to the pupil themselves.

To see a full explanation of suitable avenues for complaint, see pages 246 and 247 of the [SEND Code of Practice](#).

If you feel that our school discriminated against your child because of their SEND, you have the right to make a discrimination claim to the first-tier SEND tribunal. To find out how to make such a claim, you should visit: <https://www.gov.uk/complain-about-school/disability-discrimination>

You can make a claim about alleged discrimination regarding:

- Admission
- Exclusion
- Provision of education and associated services
- Making reasonable adjustments, including the provision of auxiliary aids and services

Before going to a SEND tribunal, you can go through processes called disagreement resolution or mediation, where you try to resolve your disagreement before it reaches the tribunal. Contact details that are signposted by Kent County Council for mediation: <https://www.globalmediation.co.uk/service/special-educational-needs-disability/>
